Press Release Services

There are many activities and services by our corporate clients that hardly make it into the pages of print media, airwaves and screens, sometime because media do not consider them newsworthy. It is however very important to have these important messages reach the audience. Our Press Release service is aimed at assisting mainly corporate clients to reach out as many members of the public and targeted customers as possible.

Your customers, journalists and media houses always want to know the latest information about your business, your company, your association or about yourself. We help you with sponsored links on our popular Metro website where all your need-to-know information can be centralized; be it events, pictures, company information, advertisements or messages of endorsements from your clients, all these in the form of digital, video or audio.

Talk to us to link your website with our popular news website today.

Metro Digital offers Lesotho's most visited platforms. Our website gets traffic from all over the world but mostly (approximately 70%) from Lesotho (20% from South Africa and (10%) from Southern African region. We are popular with the 18 to 35-year-old group. The site receives an average 50 000 visits per day.

- Our readership hits 2 million visitors and grows by 25% in every three months.
- The advertisers' messages are visible on the home page as well as in all sections. You can place an advert as per specifications or have a hyperlink, which can boost your own business website.
- Reap the fruits and free extended exposure of our popular social media platforms when you advertise on print, digital or on the website.
